

COVID-19 Related Delinquent Property Tax Penalty & Interest Waiver Policy:

The Office of the Alameda County Treasurer-Tax Collector (ALCO TTC) recognizes that Alameda County residents are being impacted by the COVID-19 Shelter-In-Place (SIP) Order commencing on March 17th and currently extended through May 31st. In addition to health issues, taxpayers may be experiencing severe financial hardships due to the virus and the SIP Orders.

Therefore, the ALCO TTC is issuing the following policies in order to help taxpayers determine if they qualify for a waiver of delinquent penalties, interest, or costs related to the second installment payment of delinquent taxes paid after April 10th.

THE LAW

Under current state law (Revenue and Taxation Code Section 4985.2), the auditor or the tax collector may cancel a penalty, cost, or other charges resulting from tax delinquency if the failure to make a timely payment is due to reasonable cause and circumstances beyond the taxpayer's control, and occurred notwithstanding the exercise of ordinary care in the absence of willful neglect.

ALAMEDA COUNTY TREASURER-TAX COLLECTOR POLICY

The ALCO TTC will consider applications for waivers of penalties, interest, and costs for delinquent taxes if the reason for delinquent payment is due to demonstrated COVID-19 related circumstances such as health or financial hardship to the taxpayer, and the other elements of the statute are met.

ELIGIBILITY AND PROCEDURES

The ALCO TTC will begin to review waiver penalty requests on a case-by-case basis, beginning on Monday, April 13th. In addition to the statutory criteria, the ALCO TTC requires the following conditions for consideration of waiver applications under this new policy:

- Second installment only;
- First installment, and any penalties, interest and costs, must be paid in full;
- Full payment of second installment taxes; no partial payments are allowed;
- Include supporting documentation, substantiating the request (below are examples of documentation, but other types may be used if they provide substantiation):
 - COVID-19 related medical circumstances and evidence that may be considered include:
 - Documented COVID-19 testing doctor referral (isolation)
 - Documented COVID-19 testing results (isolation, quarantine, hospitalization) for the taxpayer
 - Hospital release form indicating date of admission of the taxpayer
 - COVID-19 related economic considerations that may be considered include demonstrated from loss of income by the taxpayer directly caused by COVID-19 circumstances, which took place after the effective date of the County of Alameda Public Health Officer's Shelter-In-Place (SIP) Order commencing March 17th. Examples are:

- Unemployment of the taxpayer, demonstrated by:
 - Employment notification letter/e mail
 - California EDD Unemployment Letter
 - Significantly reduced hours of unemployment for the taxpayer, demonstrated by:
 - Employment notification letter/e mail
 - Pay Stubs before and after SIP
- Closure of the taxpayer’s trade or business, demonstrated by:
 - Monthly financial statements

 - Reports showing customer losses
- Loss of rental income owed to the taxpayer, demonstrated by:
 - Monthly financial statements
 - Report showing rent rolls and delinquency reports
 - Application for Forbearance by lender
 - Evidence of forgiveness of rent or rent increase
- The waiver request must be signed, under penalties of perjury, to evidence the representations made.

Alameda County Treasurer and Tax Collector

We will process qualified waiver requests as we receive them. We will notify taxpayers of denials and tentative approval as soon as we have made a determination. However, we cannot make a final determination of approval unless payment is made.

If the waiver request is denied, the payment will be rejected and returned to the taxpayer, and delinquent penalties and interest will apply.

This procedure will be in place until May 31st. New policies will be announced in the future.
