## **Alameda County Treasurer-Tax Collector Announces Revised Policies for Penalty Relief Waivers for COVID-19 Related Late Property Tax Payments**

Henry C. Levy, the Alameda County Treasurer-Tax Collector (ALCO TTC), announced that the Alameda County policies for waiving penalties, interests, and costs for late property tax payments caused by COVID-19-related economic hardship shall be consistent with Governor Newsom's Executive Order N-61-20, beginning on June 1<sup>st</sup>, and shall be the policy through May 6<sup>th</sup>, 2021.

The policy and instructions, as well as the application form, are found on the TTC website at <https://treasurer.acgov.org>.

The revised policy extends the date and the specific installments which shall be considered for a COVID-19 penalty waiver. The installments shall include the first and second installment of next year's (2020-21) property taxes, and, upon approval, payment can be deferred until May 6<sup>th</sup>, 2021.

Properties which are secondary residences or are owned by large businesses will not be eligible for penalty relief beginning June 1<sup>st</sup>.

Treasurer Levy hopes that the economic hardships experienced by Alameda County taxpayers will be short-lived and will do what he can to help the financial situation of all those affected.

The office is still closed to the public. Taxpayers may call 510-272-6800 for more information. The application submission may be completed electronically. Payment by check is recommended.
